

Monique Dorroh LEED GA

Graduate Architect / 1 Year at CDA

Profile

Monique Dorroh is a graduate architect who joined Chris Dawson Architect in September 2023. She earned her master's degree in architecture from Penn State University. Following graduation, she worked in New York City for three years, completing project work that ranged from individual zoning studies to large-scale transportation networks with a focus on mixed-use residential design. Monique has a particular aptitude for using the technical and detailed aspects of design in order to clearly convey a project's parti. She is presently pursuing her architectural license and is LEED GA certified.
